11. **Treasurer’s Report for the Month Ended September 30, 2017** – accept by all members.

This contract would be available for use at the NCPA Geysers Geothermal facility only.  
**Fiscal Impact:** Upon execution, the total cost of the agreement is not to exceed $500,000 over five years, to be used out of NCPA approved budgets as services are rendered. Purchase orders referencing the terms and conditions of the Agreement will be issued following NCPA procurement policies and procedures.

14. **Resolution 17-88, TRB and Associates – First Amendment to Five Year Multi-Task Consulting Services Agreement; Applicable to the following projects: All facilities owned and/or operated by NCPA, its Members, by the Southern California Public Power Authority (“SCPPA”), and SCPPA Members** – adopt resolution by all members authorizing the General Manager or his designee to enter into a First Amendment to Multi-Task Consulting services Agreement with TRB and Associates, with any non-substantial changes recommended and approved by the NCPA General Counsel, which shall not exceed $1,000,000 over five years, and opening the agreement for use by all NCPA Members, by the Southern California Public Power Authority (“SCPPA”), or by SCPPA Members.  
**Fiscal Impact:** Total cost of the agreement is not to exceed $1,000,000 over five years to be used out of NCPA approved budgets as services are rendered. Purchase orders referencing the terms and conditions of the agreement will be issued following NCPA procurement policies and procedures.

15. **Resolution 17-90, Appointment of the NCPA Finance Committee** – adopt resolution by all members ratifying the appointment of Robert (Bob) Orbeta, AGM of Administration, Alameda Municipal Power, as a member of the Finance Committee.  
**Fiscal Impact:** The requested action has no direct fiscal impact to the Agency.

16. **Resolution 17-91, Approval of Revenue Allocation Policy** – adopt resolution by all members the following revenue allocation policy elements, and terminates the interim revenue allocation policy:

1. Allocate ten percent (10%) of revenues received, for the exclusive benefit of Members, in proportion to their contribution to A&G expenses using data from the most recent complete fiscal year, (e.g., FY18 revenue allocated in proportion to final FY16 data);
2. Allocate the balance of revenues received to Members and “non-Member Participants of NCPA Projects” using the existing NCPA Power Management Cost Allocation Spreadsheet Model (otherwise commonly known as the “Nexant Model”), as such is defined in the Power Management and Administrative Services Agreement (PMASA);
3. Apply revenue allocation methods described in item 2 above to the portion of services that are not under a fixed-rate pricing structure;
4. Direct NCPA staff to review the revenue allocation methodology periodically, in the same frequency and timing that cost allocation methodologies are reviewed as such is defined in the PMASA, (i.e., every 5 years), or more frequently if necessary;
5. Apply these adjustments in policy to FY18 and subsequent years; and
6. Develop additional policy recommendations that will reserve a greater proportion of revenues for the exclusive benefit of Members in the event service contract proceeds exceed the cost of services provided.

**Fiscal Impact:** Replacing the Interim Policy with the recommendations above will cause a budget deviation for FY18, as illustrated in the attached table. The cost associated with implementing this policy is immaterial. Staffing levels are included in the FY18 budget, and staffing levels are not expected to change from implementing this policy. Total budgeted revenues in FY18 is $595,000. Ten percent (10%) of revenues received will be allocated to Members in proportion to their contributions toward A&G costs, and the balance of revenues received will be allocated to Members and non-Member Participants of NCPA Projects using the Nexant Model.

**DISCUSSION / ACTION ITEMS (10:30 – 11:00 am)**

17. **Resolution 17-89, Adoption of Amount of Employer Contribution to CalPERS Medical Plans for Calendar Year 2018** – adopt resolutions by all members approving the setting up to $1,647.27 per month, but not less than the amounts prescribed by Section 22893 (a) (1), plus CalPERS administrative fees and Contingency Reserve Fund assessments, as the maximum Agency contribution for the CalPERS Medical Plans for employees and annuitants and their dependents for calendar year 2018; and approve specific CalPERS Resolutions for each employee and/or employee/annuitant group including Resolution Nos. 17-89 A for IBEW Local 1245-Group 200, 17-89 B for HEA-Group 300, 17-89 C for Unrepresented Staff-Group 400, 17-89 D for Power Generation Employees-NPERS Group 701, 17-89 E for Unrepresented Administrative Members-NPERS Group 702, 17-89 F for HEA-NPERS Group 703, 17-89 G for IBEW Local 1245-Group 002, 17-89 H for HEA-Group 003, and 17-89 I for Unrepresented Staff-Group 004.

**Fiscal Impact:** The cost of the Agency’s contribution for the CalPERS Medical Plans for employees and annuitants is included in the current fiscal year approved budget. The recommended monthly maximum contribution for employees of $1,647.27 for 2018 is an increase of $31.79 per employee from the approved amount of $1,615.91 in 2017. Under GC 22893, the maximum monthly retiree contribution for family coverage in 2018 is $1,766.00, which is an increase of $39.00 from $1,727.00 in 2017.

**Fiscal Impact:** This is a financial report for the years ended June 30, 2017, and 2016, which has no direct budget impact to the Agency, but merely reports on the fiscal impacts for the last fiscal year.

19. **Overview of Budget Process and Approach – Request for Guidance of FY 2018/19 NCPA Operating Budget Directions** – approve by all members the Operating Budget directions as presented and direct staff to prepare for the FY2018/19 Operating Budget in accordance with the accepted directions.
