To the Commissioners of  
Northern California Power Agency and Associated Power Corporations  
Roseville, California

We have audited, in accordance with auditing standards generally accepted in the United States of America, the combined financial statements of the Northern California Power Agency and Associated Power Corporations (the Agency) as of and for the years ended June 30, 2020 and 2019, and the related notes to the financial statements, which collectively comprise the combined basic financial statements of the Agency, and have issued our report thereon dated October 5, 2020.

In connection with our audit, nothing came to our attention that caused us to believe that the Agency failed to comply with the California Code of Regulations, Title 2, Section 1131.2, State Controller's Minimum Audit Requirements for California Special Districts insofar as they relate to financial and accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Authority's noncompliance with the above referenced State Controller's Minimum Audit Requirements for California Special Districts insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Board of Commissioners and management of the Agency and is not intended to be, and should not be used by anyone other than these specified parties.
