CT1 Alameda Natural Gas Supply Pipeline
Renew O&M Agreement for 5 Years
CT1 Alameda Natural Gas Supply Pipeline
Background

- 2008
  - Entered into three year O&M Agreement with Compliance Services
  - Advertised - Compliance Services was the only Bidder
  - Quality of service provided was good
- 2011 contract renewed
  - Actively solicited bids, 4 bidders engaged
  - Single bid received - Compliance Services
  - Agreement was renewed for five years
  - Quality of service remained good
- 2016
  - Actively solicited bids, two bidders engaged
  - NCPA expecting to receive two bids
  - At last minute, one bidder declined to bid
  - Single bid received - Compliance Services
  - Seeking five year renewal of Agreement
  - There are no known pipeline projects at this time
- Alternative solutions explored
  - Engaged PG&E to transfer ownership of the pipeline to them. There is a lack of interest and no response.
General Scope of Work

- Maintain DOT Operator Qualifications
- Design and Implement the Integrity Management Program
  - Public Awareness
  - Direct Inspections
  - Cathodic Protection
  - Coating Evaluation
  - Signs, Locators, and Identifier Maintenance
- Regulatory Compliance
- Government Audits
- Emergency Response and Inspection
- Coordination with Contractors and SAFE Dig
Recommendation

In order to maintain mandatory regulatory D.O.T. compliance: Approve a five year Multi-Task General Services Agreement with Compliance Services, Inc. in an amount not-to-exceed $1,500,000 for operations and maintenance services for use at all facilities owned and/or operated by NCPA, by its members, by the Southern California Public Power Authority (“SCPPA”), or by SCPPA members; and authorize the General Manager to approve purchase orders pursuant to the Agreement totaling $493,000 over five years for compliance with mandated D.O.T. regulations at the Alameda CT1 project.
