Commission Staff Report

Date: December 28, 2015
To: NCPA Commission
Subject: Pacific Star Chemical, LLC dba Northstar Chemical – Five Year Multi-Task Agreement for Purchase of Equipment, Materials and Supplies for Chemical Purchases; Applicable to the following projects: All Generation Services Plant Locations

Proposal

Approve a five year Multi-Task Agreement for the Purchase of Equipment, Materials and Supplies with Pacific Star Chemical, LLC dba Northstar Chemical in an amount not-to-exceed $1,500,000 for chemical purchases as needed at all NCPA locations and authorize the General Manager to approve the issuance of purchase orders for any amount as needed pursuant to the contract.

Background

Chemicals are needed at various NCPA locations for the operation of the plants. Pacific Star Chemical, LLC dba Northstar Chemical is a supplier of chemicals.

Selection Process

This five year contract does not commit NCPA to any purchases. In addition to Pacific Star Chemical, LLC dba Northstar Chemical, NCPA currently has entered into four other enabling agreements with suppliers for similar chemical purchases. NCPA will issue purchase orders based on cost and availability of the product(s) needed at the time of order. Chemicals are ordered on a daily, weekly, and monthly basis. The decision as to which supplier to use to provide these chemicals will be based on the supplier with the lowest cost who can meet the needed delivery schedule at the time of order.

Fiscal Impact

Total cost of the agreement is not-to-exceed $1,500,000 over five years to be used out of NCPA approved budgets as services are rendered. Purchase orders referencing the terms and conditions of the Agreement will be issued following NCPA procurement policies and procedures. The annual cost of these chemicals exceeds the General Manager’s authority of $250,000. It is recommended that the General Manager be authorized to approve the issuance of purchase orders in any amount as needed pursuant to this contract.
Environmental Analysis

This activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a “project” for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.

Committee Review

The recommendation below was reviewed by the Facilities Committee on January 6, 2016 and was recommended for Commission approval. For Facilities Committee meetings where a quorum was not present: [No formal action was taken due to the lack of a quorum, however, the [Project name] participants present at the meeting voiced their support for the recommendation below and all other meeting attendees did not have any objections.]

The recommendation below was reviewed by the Lodi Energy Center Project Participant Committee on January 11, 2016 and was recommended for Commission approval.

Recommendation

Staff recommends that the NCPA Commission approve Resolution 16-XX authorizing the General Manager or his designee to enter into a Multi-Task Agreement for the Purchase of Equipment, Materials and Supplies with Pacific Star Chemical, LLC dba Northstar Chemical, with any non-substantial changes recommended and approved by the NCPA General Counsel, which shall not exceed $1,500,000 over five years and to issue purchase orders in any amount associated with the contract.

Section 1. SCOPE. In accordance with the terms and conditions set forth in this Agreement, Supplier is willing to deliver the equipment, materials and supplies (“Goods”) described in Exhibit A, attached hereto and incorporated herein to Agency’s Project Site, DDP, when requested by the Agency. Supplier shall be responsible at its sole expense for delivering the Goods to Agency’s Project Site and title shall not pass until the Agency accepts delivery at this Site. In the event of a conflict or inconsistency between the terms of this Agreement and Exhibit A, this Agreement shall prevail.

Section 2. TERM OF AGREEMENT. This Agreement shall begin upon Effective Date and shall end on the earlier of five (5) years after the Effective Date or when Supplier has provided to Agency the Goods described in Exhibit A.

Section 3. REQUEST FOR GOODS. At such time that Agency determines to have Supplier provide Goods under this Agreement, Agency shall issue a Purchase Order. In the event Supplier fails to submit an invoice to Agency for any amounts due within the ninety (90) day period, Supplier is deemed to have waived its right to collect its final payment for the Requested Goods from Agency.

Section 5. **INSURANCE REQUIREMENTS.** Before beginning any work under this Agreement, Supplier, at its own cost and expense, shall procure the types and amounts of insurance listed below for the period covered by the Agreement.

5.1 **Workers' Compensation.** If Supplier employs any person, Supplier shall maintain Statutory Workers’ Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Supplier with limits of not less than one million dollars ($1,000,000.00) per accident.

5.2 **Automobile Liability.** Supplier shall maintain automobile liability insurance for the term of this Agreement covering any loss or liability, including the cost of defense of any action, arising from the operation, maintenance or use of any vehicle, whether or not owned by the Supplier, on or off Agency premises. The policy shall provide a minimum limit of $1,000,000 per each accident, with $2,000,000 aggregate. This insurance shall provide contractual liability covering all motor vehicles and mobile equipment utilized in the transport of the Goods to the Agency's Project Site.

5.3 **Commercial General Liability (CGL).** Supplier shall maintain commercial general liability coverage covering Goods, including product liability, covering any loss or liability, including the cost of defense of any action, for bodily injury, death, personal injury and broad form property damage which may arise out of the operations of Supplier in regard to this Agreement with not less than $1,000,000/$2,000,000 aggregate for bodily injury and property damage, on an occurrence basis. No endorsement shall be attached limiting the coverage.

5.4 **General Liability/Umbrella Insurance.** The coverage amounts set forth above may be met by a combination of underlying and umbrella policies as long as in combination the limits equal or exceed those stated.

5.5 **All Policies Requirements.**

5.5.1 **Verification of Coverage.** Prior to beginning any work under this Agreement, Supplier shall, at the sole option of the Agency, provide Agency with (1) a Certificate of Insurance that demonstrates compliance with all applicable insurance provisions contained herein and (2) policy endorsements to the automobile liability policy and the CGL policy adding the Northern California Power Agency as an Additional Insured and declaring such insurance primary in regard to
work performed pursuant to this Agreement and that Agency's insurance is excess and non-contributing.

5.5.2 **Notice of Reduction in or Cancellation of Coverage.** Supplier agrees to provide at least thirty (30) days prior written notice of any cancellation or reduction in scope or amount of the insurance required under this Agreement.

5.5.3 **Waiver of Subrogation.** Supplier agrees to waive subrogation which any insurer of Supplier may acquire from Supplier by virtue of the payment of any loss. Supplier agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation.

5.5.4 **Self-Insured Retention.** Supplier shall declare the amount of the self-insured retention to the Agency; the amount shall be not more than $100,000.

5.6 **Hazardous Materials Transport.** In the event Supplier transports any hazardous materials it shall additionally provide, or if it utilizes a third party for transportation it shall ensure that the third party provides, all insurance and bonds required by the Federal Motor Carrier Safety Administration (including endorsements for motor carrier policies required by the Motor Carrier Act of 1980) and such insurance required by the California Department of Toxic Substances Control.

Section 6. **WARRANTY.** In addition to any and all warranties provided or implied by law or public policy, or any other warranties provided by Supplier, Supplier warrants that all Goods are free from defects in design and workmanship; comply with applicable federal, state and local laws and regulations; are new, of good quality and workmanship, and free from defects; are suitably safe and sufficient for the purpose for which they are normally used; and are not subject to any liens or encumbrances. Supplier shall provide all Goods in accordance with all applicable engineering, construction and other codes and standards, in accordance with prudent electrical utility standards, and in accordance with the terms of this Agreement applicable to such Goods, all with the degree of high quality and workmanship expected from purveyors engaged in the practice of providing materials and supplies of a similar nature. Moreover, if, during the term of this Agreement (or during the one (1) year period following the term hereof, unless Supplier’s warranty is for greater than one (1) year, in which case Supplier’s warranty shall be applied), the Goods provided by Supplier under this Agreement fail due to defects in material and/or workmanship or other breach of this Agreement, Supplier shall, upon any reasonable written notice from Agency, replace or repair the same to Agency's satisfaction.

Section 7. **INDEMNIFICATION AND SUPPLIER’S RESPONSIBILITIES.**

7.1 **Effect of Insurance.** Agency's acceptance of insurance certificates and endorsements required under this Agreement does not relieve Supplier from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Supplier acknowledges and agrees to the provisions of this section and that it is a material element of consideration.
7.2 **Scope.** Supplier shall indemnify, defend with counsel reasonably acceptable to the Agency, and hold harmless the Agency, and its officials, commissioners, officers, employees, agents and volunteers from and against all losses, liabilities, claims, demands, suits, actions, damages, expenses, penalties, fines, costs (including without limitation costs and fees of litigation), judgments and causes of action of every nature arising out of or in connection with any acts or omissions by Supplier, its officers, officials, agents, and employees, except as caused by the sole or gross negligence of Agency.

Notwithstanding, should this Agreement be construed as a construction agreement under Civil Code section 2783, then the exception referenced above shall also be for the active negligence of Agency.

7.3 **Transfer of Title.** Supplier shall be deemed to be in exclusive possession and control of the Goods and shall be responsible for any damages or injury caused thereby, including without limitation any spills, leaks, discharges or releases of any Goods, until Agency accepts delivery at its Site. For the purposes of this Agreement, such acceptance shall occur after Supplier or its agents complete transfer of the Goods into appropriate containers, machinery, storage tanks or other storage apparatus identified by NCPA. In the event a spill, leak, discharge or release requires notification to a federal, state or local regulatory agency, Supplier shall be responsible for all such notifications. Should Supplier be required to remedy or remove Goods as a result of a leak, spill, release or discharge of Goods into the environment at Agency's Site or elsewhere, Supplier agrees to remediate, remove or cleanup Agency's Site to a level sufficient to receive a "No Further Action Required" or “Closure Letter” from the appropriate regulatory authority.

Section 8. **MISCELLANEOUS PROVISIONS.**

8.1 **Integration; Incorporation.** This Agreement, including all the exhibits attached hereto, represents the entire and integrated agreement between Agency and Supplier and supersedes all prior negotiations, representations, or agreements, either written or oral. All exhibits attached hereto are incorporated by reference herein.

8.2 **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be an original and all of which together shall constitute one agreement.

8.3 **Compliance with Applicable Law.** Supplier shall comply with all applicable federal, state, and local laws, rules and regulations in regard to this Agreement and the Goods supplied and transported hereunder, including but not limited to the Federal Motor Carrier Safety Improvement Act of 1990 and California regulations for the transportation of hazardous materials found at Health and Safety Code section 25160 et seq.
