RECOMMENDATION:

Approval of Resolution 17-XX authorizing the General Manager or his designee to enter into a First Amendment to Multi-Task Professional Services Agreement with Schweitzer Engineering Laboratories, Inc., with any non-substantial changes recommended and approved by the NCPA General Counsel, which shall not exceed $1,000,000 over five years for use at any facilities owned and/or operated by Agency, its Members, Southern California Public Power Authority (“SCPPA”) or SCPPA Members.

BACKGROUND:

Various protective relay and automation design, testing and commissioning services are required at the NCPA locations as well as NCPA Members, SCPPA and SCPPA Member facilities from time to time. Schweitzer Engineering Laboratories, Inc. is a provider of these services. NCPA and Schweitzer Engineering Laboratories, Inc. entered into a Multi-Task Professional Services Agreement dated effective June 17, 2016.

On or about February 2, 2017, Schweitzer Engineering Laboratories, Inc. provided notice to the Agency of its intention to assign all rights and obligations of the June 17, 2016 agreement to its wholly owned subsidiary, SEL Engineering Services, Inc. The parties now desire to amend the Agreement and accept the assignment. Both parties also desire to amend the Scope of Services set forth in Exhibit A and the Compensation Schedule set forth in Exhibit B.

FISCAL IMPACT:

Total cost of the agreement is not to exceed $1,000,000 over five years to be used out of NCPA approved budgets as services are rendered. Purchase orders referencing the terms and conditions of the Agreement will be issued following NCPA procurement policies and procedures.

SELECTION PROCESS:

This enabling agreement does not commit NCPA to any expenditure of funds. At the time services are required, NCPA will bid the specific scope of work consistent with NCPA procurement policies and procedures. NCPA seeks bids from as many qualified providers as possible. Bids are awarded to the lowest cost provider. NCPA will issue purchase orders based on cost and availability of the services needed at the time the service is required.

ENVIRONMENTAL ANALYSIS:

This activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a “project” for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.
COMMITTEE REVIEW:

Committee Review Pending.

Respectfully submitted,

RANDY S. HOWARD
General Manager

This insurance shall provide contractual liability covering all motor vehicles and mobile equipment to the extent coverage may be excluded from general liability insurance.
4.2.3 **General Liability/Umbrella Insurance.** The coverage amounts set forth above may be met by a combination of underlying and umbrella policies as long as in combination the limits equal or exceed those stated.

4.3 **Professional Liability Insurance.** Consultant shall maintain professional liability insurance appropriate to Consultant's profession performing work in connection with this Agreement in an amount not less than one million dollars ($1,000,000.00) and two million dollars ($2,000,000) aggregate covering the Consultant's errors and omissions. Any deductible or self-insured retention shall not exceed two hundred fifty thousand dollars ($250,000) per claim. Such insurance shall be on “an occurrence” basis.

4.4 **All Policies Requirements.**

4.4.3 **Higher Limits.** If Consultant maintains higher limits than the minimums specified herein, the Agency shall be entitled to coverage for the higher limits maintained by the Consultant.

4.4.4 **Additional Certificates and Endorsements.** If Consultant provides services to Agency members, SCPPA and/or SCPPA members, Agency shall have the right to require the Consultant to provide certificates of insurance and/or policy endorsements, as referenced in Section 4.4.1, naming the specific Agency member, SCPPPA or Agency member for which the Services are to be performed.

4.5 **Waiver of Subrogation.** Consultant agrees to waive subrogation which any insurer of Consultant may acquire from Consultant by virtue of the payment of any loss. Consultant agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of Agency for all work performed by Consultant, its employees, agents and subcontractors.
4.6 **Consultant’s Obligation.** Consultant shall be solely responsible for ensuring that all equipment, vehicles and other items utilized in the performance of Services are operated, provided or otherwise utilized in a manner that ensues they are and remain covered by the policies referenced in Section 4 during this Agreement. Consultant shall also ensure that all workers involved in the provision of Services are properly classified as employees, agents or independent contractors and are and remain covered by any and all workers’ compensation insurance required by applicable law during this Agreement.

Section 5. **INDEMNIFICATION AND CONSULTANT’S RESPONSIBILITIES; LIMITATION OF LIABILITY.**

5.1 **Effect of Insurance.** Agency’s acceptance of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Consultant acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

5.2 **Scope.** Consultant shall indemnify, defend with counsel reasonably acceptable to the Agency, and hold harmless the Agency and its officials, commissioners, officers, employees, and volunteers from and against any and all claims that arise out of, pertain to or relate to the negligence, recklessness or willful misconduct of the Consultant in its performance of Services under this Agreement. Consultant shall bear all losses, costs, damages, expense and liability of every kind, nature and description that arise out of, pertain to, or relate to such claims, whether directly or indirectly (“Liabilities”). Such obligations to defend, hold harmless and indemnify the Agency shall not apply to the extent that such Liabilities are caused by the negligence or willful misconduct of the Agency.

5.3 **Limitation of Liability.** Notwithstanding any other term in this Agreement, Consultant’s liability to Agency or its insurers for any loss or damage regarding this Agreement shall be limited as follows: (i) for those claims covered by an insurance policy required under Section 4 of this Agreement, Consultant’s liability shall be limited to the amount of the applicable insurance policy; and (ii) for all other claims, except those arising as a result of Consultant’s violation of applicable law or patent infringement, Consultant’s liability shall in no event exceed $1,000,000 aggregate during the term of the Agreement whether as a result of breach of contract, indemnity, warranty, tort (including negligence), strict liability or otherwise. In no event, whether as a result of breach of contract, indemnity, warranty, tort (including negligence), strict liability or otherwise, shall Consultant be liable for any special, incidental, consequential or punitive damages, including without limitation any loss of profit or revenues, loss of use of associated equipment, cost of capital, cost of substitute
products, facilities, services or replacement power, downtime costs or claims of Agency's customers for such damages.

**Section 6. STATUS OF CONSULTANT.**

6.1 **Independent Contractor.** Consultant is an independent contractor and not an employee of Agency. Agency shall have the right to control Consultant only insofar as the results of Consultant's Services and assignment of personnel pursuant to Section 1; otherwise, Agency shall not have the right to control the means by which Consultant accomplishes Services rendered pursuant to this Agreement. Notwithstanding any other Agency, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by Agency, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of Agency and entitlement to any contribution to be paid by Agency for employer contributions and/or employee contributions for PERS benefits.

Consultant shall indemnify, defend, and hold harmless Agency for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of Agency. Consultant and Agency acknowledge and agree that compensation paid by Agency to Consultant under this Agreement is based upon Consultant's estimated costs of providing the Services, including salaries and benefits of employees, agents and subcontractors of Consultant.

Consultant shall indemnify, defend, and hold harmless Agency from any lawsuit, administrative action, or other claim for penalties, losses, costs, damages, expense and liability of every kind, nature and description that arise out of, pertain to, or relate to such claims, whether directly or indirectly, due to Consultant's failure to secure workers' compensation insurance for its employees, agents, or subcontractors.

Consultant agrees that it is responsible for the provision of group healthcare benefits to its fulltime employees under 26 U.S.C. § 4980H of the Affordable Care Act. To the extent permitted by law, Consultant shall indemnify, defend and hold harmless Agency from any penalty issued to Agency under the Affordable Care Act resulting from the performance of the Services by any employee, agent, or subcontractor of Consultant.

6.2 **Consultant Not Agent.** Except as Agency may specify in writing, Consultant shall have no authority, express or implied, to act on behalf of Agency in any capacity whatsoever as an agent. Consultant shall have no authority, express or implied, pursuant to this Agreement to bind Agency to any obligation whatsoever.
6.3 **Assignment and Subcontracting.** This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's unique professional competence, experience, and specialized professional knowledge. A substantial inducement to Agency for entering into this Agreement was and is the personal reputation and competence of Consultant. Consultant may not assign this Agreement or any interest therein without the prior written approval of the Agency. Consultant shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors identified in Exhibit A, without prior written approval of the Agency. Where written approval is granted by the Agency, Consultant shall supervise all work subcontracted by Consultant in performing the services and shall be responsible for all work performed by a subcontractor as if Consultant itself had performed such work. The subcontracting of any work to subcontractors shall not relieve Consultant from any of its obligations under this Agreement with respect to the services and Consultant is obligated to ensure that any and all subcontractors performing any services shall be fully insured in all respects and to the same extent as set forth under Section 4, to Agency's satisfaction.

6.4 **Certification as to California Energy Commission.** If requested by the Agency, Consultant shall, at the same time it executes this Agreement, execute Exhibit C.

**Section 7.** LEGAL REQUIREMENTS.

7.1 **Governing Law.** The laws of the State of California shall govern this Agreement.

7.2 **Compliance with Applicable Laws.** Consultant and its subcontractors and agents, if any, shall comply with all laws applicable to the performance of the work hereunder.

7.3 **Licenses and Permits.** Consultant represents and warrants to Agency that Consultant and its employees, agents, and subcontractors (if any) have and will maintain at their sole expense during the term of this Agreement all licenses, permits, qualifications, and approvals of whatever nature that are legally required to practice their respective professions.

**Section 8.** TERMINATION AND MODIFICATION.

8.1 **Termination.** Agency may cancel this Agreement at any time and without cause upon ten (10) days prior written notice to Consultant.

In the event of termination, Consultant shall be entitled to compensation for Services satisfactorily completed and its actual, direct, unavoidable, and reasonable expenses incurred as of the effective date of termination, which shall not include anticipated profit or overhead expenses of Consultant. Agency, however, may condition payment of such compensation upon Consultant delivering to Agency any or all records or documents, as referenced in Section 9.1 hereof.
8.2 Amendments. The Parties may amend this Agreement only by a writing signed by all the Parties.

8.3 Survival. All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between Agency and Consultant shall survive the termination of this Agreement.

8.4 Options upon Breach by Consultant. If Consultant materially breaches any of the terms of this Agreement, including but not limited to those set forth in Section 4, and fails to cure such breach within seven (7) calendar days of written notice of such breach from Agency, Agency's remedies shall include, but not be limited to, the following:

8.4.1 Immediately terminate the Agreement;

8.4.2 Subject to Section 9, retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Consultant pursuant to this Agreement;

8.4.3 Retain a different consultant to complete the Services not finished by Consultant; and/or

8.4.4 Charge Consultant the difference between the costs to complete the Services that is unfinished at the time of breach and the amount that Agency would have paid Consultant pursuant hereto if Consultant had completed the Services.

Section 9. KEEPING AND STATUS OF RECORDS.

9.1 Records Created as Part of Consultant's Performance. All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Consultant prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the Agency. Consultant hereby agrees to deliver those documents to the Agency upon termination of the Agreement. Agency and Consultant agree that, unless approved by Agency in writing, Consultant shall not release to any non-parties to this Agreement any data, plans, specifications, reports and other documents. Notwithstanding the above, Consultant's Confidential Information (as defined below) and all intellectual property, including patents, copyrights, trademarks, trade secrets, and other proprietary information incorporated into, or provided in conjunction with, the Services (collectively, "Consultant IP") shall not be deemed "works made for hire" for Agency, Agency members, SCPPA, and SCPPA members (each a "Licensee"), and shall remain the exclusive property of Consultant. Consultant hereby grants to each Licensee a perpetual, worldwide, royalty-free, non-exclusive, non-transferable, personal, irrevocable, limited license to use, copy and modify Consultant IP for Licensee's internal business purposes, including the use, operation, maintenance, and repair of the Services and all parts or portions thereof, and
including such work by Licensee’s employees, agents, contractors, or consultants on such Licensee’s behalf ("License"). Consultant IP shall not be used for any other purpose without first obtaining Consultant’s written consent. For the avoidance of doubt, a Licensee may assign its License in connection with the sale or other disposition of substantially all of the assets of Licensee’s business or substantially all of the goods or other deliverables obtained by such Licensee under this Agreement. Notwithstanding any other provision of this Agreement, each License shall survive the termination or expiration of this Agreement.

Subject to this Section 9, Consultant shall provide Agency relay settings and supporting documentation, including supporting calculations, pertinent fault study results, overcurrent coordination curves, and similar information, in Microsoft Word, Adobe Acrobat, and/or SEL-5030 ACSELERATOR QuickSet format, as applicable.

9.3 Inspection and Audit of Records. Any records or documents that this Agreement requires Consultant to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the Agency. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds ten thousand dollars ($10,000.00), the Agreement shall be subject to the examination and audit of the State Auditor, at the request of Agency or as part of any audit of the Agency, for a period of three (3) years after final payment under the Agreement. Please note: As Consultant is a privately held company it can allow audits of time and expense projects, however, Consultant does not provide breakdown of its fixed price or lump sum contracts, and does not reveal the components that make up its hourly rate.

9.4 Confidential Information and Disclosure.

9.4.1 Confidential Information. The term "Confidential Information", as used herein, shall mean any and all confidential, proprietary, or trade secret information, whether written, recorded, electronic, oral or otherwise, where the Confidential Information is made available in a tangible medium of expression and marked in a prominent location as confidential, proprietary and/or trade secret information. 9.4.3 **Permitted Disclosure.** Notwithstanding the foregoing, the following disclosures of Confidential Information are allowed. Receiving Party shall endeavor to provide prior written notice to Disclosing Party of any permitted disclosure made pursuant to Section 9.4.3.2 or 9.4.3.3. Disclosing Party may seek a protective order, including without limitation, a temporary restraining order to prevent or contest such permitted disclosure; provided, however, that Disclosing Party shall seek such remedies at its sole expense. Neither party shall have any liability for such permitted disclosures:

9.4.3.1 Disclosure to employees, agents, consultants, contractors, subcontractors or other representatives of Receiving Party that have a need to know in connection with this Agreement.

9.4.3.2 Disclosure in response to a valid order of a court, government or regulatory agency or as may otherwise be required by law; and

9.4.3.3 Disclosure by Agency in response to a request pursuant to the California Public Records Act.

9.4.4 **Handling of Confidential Information.** Upon conclusion or termination of the Agreement, Receiving Party shall return to Disclosing Party or destroy Confidential Information (including all copies thereof), if requested by Disclosing Party in writing. Notwithstanding the foregoing, the Receiving Party may retain copies of such Confidential Information, subject to the confidentiality provisions of this Agreement: (a) for archival purposes in its computer system; (b) in its legal department files; and (c) in files of Receiving Party's representatives where such copies are necessary to comply with applicable law. The court may set such fees in the same action or in a separate action brought for that purpose.

If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

All exhibits attached hereto are incorporated by reference herein.

10.11 **Alternative Dispute Resolution.** If any dispute arises between the Parties that cannot be settled after engaging in good faith negotiations, Agency and Consultant agree to resolve the dispute in accordance with the following:

10.15 No Third Party Beneficiaries. This Agreement is made solely for the benefit of the parties hereto, with no intent to benefit any non-signator third parties. However, should Consultant provide services to an Agency member, SCPPA or SCPPA member (collectively for the purpose of this Section only "Member") pursuant to Section 1.4, the parties recognize that such Member may be a third party beneficiary solely as to the Purchase Order and Requested Services relating to such Member.

Section 11 WARRANTY.

11.1 Warranty for Goods. Consultant warrants that goods, equipment, supplies, or other materials provided pursuant to this Agreement (for purposes of this Section 11, "Goods") are free from defects in material, design, and workmanship for ten (10) years after
completion or delivery of the Goods, including Consultant-manufactured control enclosure
structures and panels. Such warranty shall be for ten (10) years after delivery for Fault
Indicator and Sensor Division goods. This warranty is conditioned upon storage,
installation, connection, operation and maintenance of Goods consistent with Consultant's
manual provided to Agency in writing. If during the term of this Agreement or the
applicable warranty period specified above, any Goods used or provided by Consultant
under this Agreement fail due to defects in material, design, and/or workmanship or other
breach of this Agreement, Consultant shall, upon any reasonable written notice from
Agency, replace, reperform, or repair the same to Agency's satisfaction. This warranty
shall be void in its entirety if Agency modifies the Goods without prior written consent to
and subsequent approval of any such modifications by Consultant. If any Goods fail to
conform to this warranty, Agency properly notifies Consultant of such failure and Agency
returns the Goods to Consultant factory for diagnosis (and pays all expenses for such
return), Consultant shall correct any such failure by, at its sole discretion, either repairing
any defective or damaged Goods or part(s) thereof, or making available, freight prepaid, by
Consultant (Carriage Paid To (CPT) customer's place of business) any necessary

degree of care and skill ordinarily exercised by members of the same profession currently
practicing under similar circumstances. Consultant shall reperform (or, at Consultant's
option, pay a third party to reperform) any defective services at no cost upon receipt of
notice detailing the defect(s) within one (1) year of performance of the original services.

11.3 General Warranty Provisions. TO THE MAXIMUM EXTENT PERMITTED BY LAW,
THIS WARRANTY SHALL BE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES,
WHETHER STATUTORY, EXPRESS OR IMPLIED (INCLUDING WARRANTIES OF
