4.2.3 Provide staff and other assistance as may be required from time to time to the extent necessary for NCPA to fulfill its duties as described in Section 4.1 of this Agreement.

4.2.4 Comply with all requirements of the CAISO Tariff, as applicable.

Section 5. TERM AND TERMINATION

5.1 Term. The initial term of this Agreement shall begin on the Effective Date and shall continue uninterrupted through April 30, 2020 (the "Initial Term"). At the end of the initial term of this Agreement, or any subsequent term of this Agreement, the term of this Agreement shall automatically extend for an additional one (1) year period unless a Party provides written Notice of Termination pursuant to Section 5.2, of its election not to automatically extend the term of the agreement.

5.2 Termination. This Agreement may be terminated by either Party at the end of the Initial Term, or at the end of any subsequent one (1) year extension, by providing written notice to the other Party at least one hundred eighty (180) Calendar Days prior to the end of the current term of the Agreement ("Notice of Termination").

5.3 No Effect on Prior Liabilities. Termination of this Agreement will not terminate any ongoing or un-discharged liabilities, credits or obligations of either Party, including any contingent liabilities, credits or obligations, resulting from this Agreement until they are

satisfied in full, or for which the Party owing the liability has provided a mechanism acceptable to the other Party, for the satisfaction in full thereof.

Section 6. INDEMNITY AND INSURANCE

6.1 Limitation of Liability.

6.1.1 Except as provided in Section 6.1, neither NCPA nor Customer (the “Responsible Party”) shall at any time be liable for any injury or damage occurring to the other (the “Harmed Party”) or any third person or property from any cause whatsoever arising out of this Agreement, and each Party agrees to indemnify, defend and hold harmless the other Party, including their respective governing boards, officials, agents and employees, from and against any and all claims, suits, losses, costs, damages, expenses and liability of any kind or nature, including reasonable attorneys’ fees and the costs of litigation, including experts, to the extent caused by any acts, omissions, breach of contract, negligence (active or passive), gross negligence, recklessness, or willful misconduct of that Party, its governing officials, officers, employees, subcontractors or agents, to the maximum extent permitted by law.

6.1.2 The provisions of this Section 6.1.1 shall not apply where the injury or damage occurring to a Harmed Party is caused by the negligence of the Responsible Party or any of the Responsible Party’s employee’s, agents or contractors, and provided that any liability under this subsection is limited to the extent of the actual coverage and coverage limits of the insurance policies described in Section 6.3, which are maintained by the Responsible Party.

6.2 Notice. The Parties shall give each other prompt notice of the making of any claim or the commencement of any action, suit or proceeding covered by the provisions of this Section 6.

6.3 Insurance. During the term of this Agreement, both Parties agree to maintain, or cause to be maintained, in full force and effect, and at their respective sole cost and expense, the following types and limits of liability insurance (“Insurance”):

6.3.1 One-million dollars per occurrence for Workers' Compensation and Employer's Liability;

6.3.2 One-million dollars in limits per occurrence in Automobile Liability; and

6.3.3 Two-million dollars in single combined limits for Commercial General Liability Insurance.

Evidence of each Party's Insurance shall be maintained, and provided to the other Party upon request. All insurance policies, with the exception of Workers' Compensation, shall name the other Party as additionally insured. Each Party agrees to waive the right of subrogation where it is legal to do so.

Each Party shall designate the required insurance liability limits for any subcontractors performing work in connection with, or in performance of any aspect of this Agreement, and in accordance to their risk management requirements.

Section 7. COMPENSATION

7.1 Compensation for Services. Customer shall pay NCPA the amounts set forth in Appendix B for NCPA's provision of Services to Customer in accordance with the terms and conditions of this Agreement. Such amount shall be billed to Customer in accordance with Section 8 of this Agreement.

7.2 CAISO Charges and Credits. All charges and credits invoiced by the CAISO to NCPA associated with Services provided under this Agreement will be charged or credited to Customer, and shall be paid to NCPA by Customer, or by NCPA to Customer, as applicable, in addition to the compensation stated in Section 7.1. Such CAISO charges and credits shall be billed to Customer in accordance with Section 8 of this Agreement.

Section 8. BILLING AND PAYMENT

8.1 Invoices. NCPA will issue a monthly invoice to Customer for estimated and actual costs, including, but not limited to, CAISO charges and credits, costs associated with NCPA's provision of Services, and all other costs for Services (e.g., power supply costs) provided in accordance with this Agreement. Such invoices will be made pursuant to the requirements

and procedures provided for in this Agreement. NCPA will issue invoices to Customer using electronic media and physical distribution.

8.2 Payment of Invoices. All non-emergency invoices delivered by NCPA to Customer are due and payable thirty (30) Calendar Days after the date that the invoice is received; provided, however, that any amount due on a day other than a Business Day may be paid on the next following Business Day. NCPA may apply Customer's Security Account to the payment of all or any portion of an invoice to Customer if payment is not received by the applicable due date, provided that application of such funds from the Security Account shall not relieve Customer from any late payment charges pursuant to Section 8.3. To the extent that NCPA applies funds from the Security Account to pay an amount due under an invoice, following receipt of payment of such invoice by Customer, NCPA shall deposit the relevant portion of the payment into the Security Account and credit such deposit to Customer. Emergency invoices issued and delivered by NCPA pursuant to Section 12.5 shall be due and payable on the date indicated on such invoice, or as indicated in Section 12.5, whichever is later.

8.3 Late Payments. Any amount due and not paid by Customer in accordance with Sections 8.2, Section 11 and Section 12 shall be considered late and bear interest computed on a daily basis until paid at the lesser of (i) the per annum prime rate (or reference rate) of the Bank of America N.A. then in effect, plus two percent (2%) or (ii) the maximum rate permitted by law.

8.4 Billing Disputes. Customer may dispute the accuracy of any invoice, or any adjustment to an invoice, issued by NCPA under this Agreement by submitting a written dispute to NCPA, within twelve (12) months of the date of such invoice. Notwithstanding the foregoing, Customer shall pay the full amount billed when due for all costs other than amounts invoiced for the Services Fee, and Customer shall pay the full undisputed amount billed when due for the Services Fee. If Customer does not timely question or dispute the accuracy of any invoice in writing, or if NCPA does not identify a discrepancy in the invoice that requires a correction, the invoice shall be deemed to be correct. Upon review of a submitted dispute, if an invoice is determined by NCPA to be incorrect, NCPA shall issue a corrected invoice and refund any

amounts that may be due to Customer. If NCPA and Customer fail to agree on the accuracy of an invoice within thirty (30) Calendar Days after Customer has disputed it, the General Manager shall promptly submit the dispute to the Commission for resolution. If the Commission and Customer fail to agree on the accuracy of a disputed invoice within sixty (60) Calendar Days of its submission to the Commission, the dispute may then be resolved under the dispute resolution procedures set forth in Section 13 of this Agreement. Provided, however, that prior to resorting to alternative dispute resolution procedures, the full amount of the disputed invoice for all costs other than amounts invoiced for the Services Fee must have been paid. Upon resolution of a dispute, the disputed amount shall be paid within five (5) Business days.

8.5 Billing/Settlement Data. NCPA shall make billing and settlement data available to Customer, or its designee, as part of the invoice delivered by NCPA, or upon request. NCPA shall make billing and settlement support information available to Customer using electronic media (e.g. electronic data portal). Procedures and formats for the provision of such electronic data submission may be as established by the NCPA Commission from time to time. Without limiting the generality of the foregoing, NCPA may, in its reasonable discretion, require Customer to execute a non-disclosure agreement prior to providing access to the NCPA electronic data portal for the purpose of protecting confidential information, consistent with the provisions contained in Section 15.1 of this Agreement.

8.6 Examination of Books and Records. Customer shall have the right to examine the books and records created and maintained by NCPA pursuant to this Agreement at any reasonable, mutually agreed upon time.

All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files or other documents or material, in electronic or any other form, that NCPA prepares or obtains pursuant to this Agreement and that relate to the Services provided hereunder, shall be stored and maintained by NCPA in accordance with NCPA's records retention policies and procedures, as such may be modified from time to time.

Section 9. COOPERATION AND FURTHER ASSURANCES

Each of the Parties agree to provide such information, execute and deliver any instruments and documents and to take such other actions as may be necessary or reasonably requested by the other Party which are consistent with the provisions of this Agreement and which do not involve the assumption of obligations other than those provided for in this Agreement, in order to give full effect to this Agreement and to carry out the intent of this Agreement. The Parties agree to cooperate and act in good faith in connection with obtaining any credit support required in order to satisfy the requirements of this Agreement.

Section 10. DEFAULTS

10.1 Events of Default. An Event of Default under this Agreement shall exist upon the occurrence of any one or more of the following by a Party (the “Defaulting Party”):

(i) the failure of Customer to make any payment (other than an emergency addition to the Security Account pursuant to Section 12.5) in full to NCPA when due, where such failure is not cured within thirty (30) Calendar Days following receipt of written notice from NCPA demanding cure;

(ii) the failure of Customer to make any payment of an emergency addition to the Security Account pursuant to, and following applicable notice periods under, Section 12.5;

(iii) the failure of a Party to perform any covenant or obligation of this Agreement, including the requirements of each Party set forth in Section 4, where such failure is not cured within thirty (30) Calendar Days following receipt of a notice from the other Party demanding cure. Provided, that this subsection shall not apply to any failure to make payments specified by subsection 10.1 (i) or (ii); or

(iv) if any representation or warranty of a Party material to the Services provided hereunder shall prove to have been incorrect in any material respect when made and the Party does not cure the facts underlying such incorrect representation or warranty so that the representation or warranty becomes true and correct within thirty (30) Calendar Days of the date of receipt of notice from a Party demanding cure.

10.2 Uncontrollable Forces. A Party shall not be considered to be in default in respect of any obligation hereunder if prevented from fulfilling such obligation by reason of Uncontrollable Forces. Provided, that in order to be relieved of an Event of Default due to Uncontrollable Forces, a Party affected by an Uncontrollable Force shall:

(i) first provide oral notice to the General Manager, or in the case of Customer, to the representative selected by Customer, using telephone communication within two (2) Business Days of the onset of the Uncontrollable Force, and subsequently provide written notice to the Party's representative within ten (10) Business Days of the onset of the Uncontrollable Force, describing its nature and extent, the obligations which the Party is unable to fulfill, the anticipated duration of the Uncontrollable Force, and the actions which the Party will undertake so as to remove such disability and be able to fulfill its obligations hereunder; and

(ii) use due diligence to place itself in a position to fulfill its obligations hereunder and if unable to fulfill any obligation by reason of an Uncontrollable Force such Party shall exercise due diligence to remove such disability with reasonable dispatch. Provided, that nothing in this subsection shall require a Party to settle or compromise a labor dispute.

10.3 Cure of an Event of Default. An Event of Default shall be deemed cured only if such default shall be remedied or cured within the time periods specified in Section 10.1 above, as may be applicable.

10.4 Remedies in the Event of Uncured Default. Upon the occurrence of an Event of Default which is not cured within the time limits specified in Section 10.1, without limiting other rights or remedies available under this Agreement, at law or in equity, and without constituting or resulting in a waiver, release or estoppel of any right, action or cause of action a non-defaulting Party may have against the defaulting Party, a non-defaulting Party may take any or all of the following actions:

(i) NCPA may suspend the provision of Services under this Agreement to Customer;

(ii) NCPA may demand that Customer provide further assurances to guarantee the correction of the default;

(iii) The non-defaulting Party may terminate this Agreement as to the defaulting Party, on ten (10) Calendar Days prior written notice to the Defaulting Party;

(iv) NCPA may utilize the funds available in Customer's Security Account to cure a default under Section 10.1(i) and thereafter demand replenishment of the Security Account.

10.5 Effect of Termination or Suspension.

10.5.1 Generally. The termination or suspension of this Agreement will not terminate, waive, or otherwise discharge any ongoing or undischarged liabilities, credits or obligations arising from this Agreement until such liabilities, credits or obligations are satisfied in full.

10.5.2 Suspension. If performance of all or any portion of this Agreement is suspended by NCPA in accordance with Section 10.4 (i), Customer shall pay any and all costs incurred by NCPA as a result of such suspension including reasonable attorney fees, the fees and expenses of other experts, including auditors and accountants, or other reasonable and necessary costs associated with such suspension and any portion of the costs associated with NCPA's provision of Services that were not recovered from Customer as a result of such suspension.

10.5.3 Termination. If this Agreement is terminated by a Party in accordance with Section 10.4 (iii), the Defaulting Party shall pay any and all costs incurred by the other Party as a result of such termination, including reasonable attorney fees, the fees and expenses of other experts, including auditors and accountants, other reasonable and necessary costs associated with such termination, and as to Customer, any portion of costs associated with NCPA's provision of Services that were not, or will not be, recovered from Customer as a result of such termination.

Section 11. CAISO SECURITY DEPOSIT AND CREDIT REQUIREMENTS

Except as may otherwise be provided herein, any credit requirements required by the CAISO, including, but not limited to, security, collateral, unsecured credit, or other deposits required by the CAISO, shall be provided by Customer prior to NCPA providing Services under this Agreement, and shall be maintained as may be required thereafter pursuant to the CAISO Tariff. Failure to maintain sufficient credit, security, collateral, unsecured credit, or other deposits may impact NCPA's ability to perform certain Services under this agreement. NCPA shall maintain a detailed accounting of Customer's credit, security, collateral, unsecured credit or other deposits. Any changes in credit, security, unsecured credit or other deposits required by the CAISO Tariff may be provided by NCPA from Customer's Security Account, and NCPA shall invoice Customer within two (2) Business Days for such required amounts, and will use the funds collected from Customer to fund the Security Account.

Section 12. SECURITY ACCOUNT

Any Customer deposits into the Security Account pursuant to this Agreement shall be separate from and in addition to any security accounts maintained pursuant to any other agreements between NCPA and the Customer, NCPA and any Third Person, or any other such security account required of Customer.

12.1 Applicability. The requirement for Customer to initially deposit and maintain a Security Account pursuant to Section 12.2 and Section 12.3 is only applicable if NCPA, acting for or on behalf of Customer, is directly responsible for making payments to the CAISO and processing charges and credits invoiced by the CAISO to NCPA, associated with Services provided under this Agreement, including all charges and credits associated with security deposits, if any, as may be required pursuant to the CAISO Tariff. For the purpose of clarity, when NCPA provides Services as Customer's Scheduling Coordinator, Section 12.2 and Section 12.3 shall apply; provided, however, when NCPA provides Services as Customer's Scheduling Agent, Customer shall not be required to initially deposit and maintain a Security Account pursuant to Section 12.2 and Section 12.3 if Customer retains the direct responsibility for making payments to the CAISO and processing charges and credits invoiced by the CAISO to

Customer, associated with Services provided under this Agreement, including all charges and credits associated with security deposits as may be required pursuant to the CAISO Tariff.

12.2 Initial Amounts. Prior to NCPA providing Services, Customer shall deposit into a Security Account held by NCPA an amount equal to the highest three (3) months of estimated CAISO invoices (including, but not limited to, costs and/or credits for energy, Grid Management Charge fees, operating reserves costs, and regulation capacity costs) for the succeeding twelve (12) months; provided, however, that such deposit may be satisfied in whole or in part either in cash or through a clean, irrevocable letter of credit satisfactory to the General Manager. NCPA shall maintain a detailed accounting of Customer's deposit in the Security Account. For the purpose of clarity, the estimated CAISO invoice amount, if any, as referred to herein, shall be equal to Customer's Estimated Aggregate Liability (EAL).

12.3 Subsequent Deposits. Periodically, and at least quarterly but not more than monthly, NCPA shall review and revise its estimate of all costs Customer shall be obligated to pay under this Agreement. Following such review, NCPA shall determine whether Customer has a sufficient balance in the Security Account. To the extent that Customer's balance in the Security Account is greater than one hundred and ten percent (110%) of the amount required by Section 12.2, NCPA shall credit such amount as soon as practicable to Customer's next monthly invoice. To the extent that Customer's balance in the Security Account is less than ninety percent (90%) of the amount required by Section 12.2, NCPA shall add such amount as soon as practicable to Customer's next monthly invoice, or as necessary, to a special invoice to Customer; provided, however, that Customer shall have at least ten (10) Business Days to provide such additional funds. Credits or additions shall not be made to the extent Customer satisfies these Security Account requirements through the use of a letter of credit, provided that if Customer funds the entire Security Account with a letter of credit, the amount of the letter of credit shall be adjusted by Customer as necessary in a like manner to assure an amount equal to the highest three (3) months of CAISO invoices is available to NCPA.

12.4 Use of Security Account Funds.

12.4.1 NCPA may use any and all funds deposited into the Security Account (or utilize a letter of credit provided in lieu thereof) to pay any costs it incurs hereunder, irrespective of whether NCPA has issued an invoice for such costs to Customer or whether Customer has made timely payments of invoices. Should Customer satisfy its Security Account requirements in whole or part through a letter of credit, NCPA shall have the right to draw on such letter of credit to satisfy obligations hereunder.

12.4.2 If funds deposited into the Security Account, or provided through a letter of credit, are used by NCPA to pay any costs it incurs hereunder, NCPA, pursuant to Section 8.5, will maintain a detailed accounting of Customer's shares of funds withdrawn from the Security Account or letter of credit.

12.5 Emergency Additions. In the event that the funds are withdrawn pursuant to Section 12.4 of this Agreement, or if the Security Account is insufficient to allow payment of a CAISO invoice, NCPA shall notify Customer and then prepare and send a special or emergency assessment to Customer. Customer shall pay to NCPA such assessment when and if assessed by NCPA within two (2) Business Days of the invoice date of the assessment or consent to and direct NCPA to draw on any existing letter of credit Customer has established for such purposes.

12.6 Accounting and Interest. NCPA shall maintain a detailed accounting of Customer's deposits into and withdrawals from the Security Account. Interest, if any, earned on the Security Account shall be credited to Customer's Security Account. NCPA makes no representation that the Security Account will earn any particular amount of interest or any interest.

12.7 Return of Funds. On the termination of this Agreement Customer's Security Account funds shall be paid to Customer fifteen (15) Calendar Days after the effective date of such termination. NCPA shall estimate the then reasonable outstanding liabilities of Customer, including any reasonably estimated contingent liabilities, and shall retain all such funds until all such liabilities have been fully paid or otherwise satisfied in full. After such determination by the General Manager, the balance of Customer's Security Account will be refunded to Customer

within fifteen (15) Calendar Days. The methodology used by NCPA to calculate the amounts retained will be provided to Customer. Any disputes regarding amounts retained by NCPA will be subject to Section 13 of this Agreement.

Section 13. SETTLEMENT OF DISPUTES

13.1 Settlement of Disputes. If any dispute arises between the Parties that cannot be settled after engaging in good faith negotiations, Customer and NCPA agree to resolve the dispute in accordance with the following:

13.1.1 Each Party shall designate a senior management or executive level representative to negotiate any dispute.

13.1.2 The representative shall attempt, through good faith negotiations, to resolve the dispute by any means within their authority.

13.1.3 If the issue remains unresolved after sixty (60) Calendar Days of good faith negotiations, despite having used their best efforts to do so, either Party may pursue whatever other remedies may be available to it.

At any time during the term of this Agreement, if any Party anticipates the occurrence of a Significant Regulatory Change or Significant Operational Change that may reasonably be expected to materially interfere with the ability of any Party to perform any of its obligations under this Agreement, or such Significant Regulatory Change or Significant Operational Change occurs, such Party shall provide written notice to the other Party as soon as practicable. The notice shall contain a description of the Significant Regulatory Change or Significant Operational Change, including expected time schedules, and of the effect of the significant change to the Parties. If the Party giving notice believes that it will be necessary to amend this Agreement to address the anticipated change or change when it has occurred, then the notice to the other Party may include a proposal that the Parties meet to negotiate an appropriate amendment to this Agreement. 1.2 Review of Task Order Request. Once NCPA receives a Task Order Request from Customer, NCPA will review the Customer’s request to determine if NCPA can perform the desired work. Once NCPA has completed its review of the Task Order Request, NCPA will provide a written response to Customer to confirm that NCPA is either: (i) able and willing to perform the Supplemental Services as requested, or (ii) not able or not willing to perform the Supplemental Services as requested. If NCPA is able and willing to perform the Supplemental Services as requested, NCPA will provide a written proposal for NCPA’s provision of the requested Supplemental Services to Customer, including a detailed project scope and estimated cost for performing the desired work (“Supplemental Services Task Order”).

1.3 Task Order Confirmation. Upon receipt of the Supplemental Services Task Order, if any, Customer may agree to accept or not accept NCPA’s proposal to supply Supplemental Services. If Customer agrees to accept NCPA’s proposal to supply Supplemental Services, upon mutual written consent of the Designated Representatives of each Party, the Parties shall

confirm the terms and conditions of the Supplemental Services by executing the Supplemental Services Task Order. NCPA shall invoice Customer for the full estimated cost of the Supplemental Services, as set forth in the Supplemental Services Task Order, prior to NCPA's provision of the Supplemental Services to Customer. Such amounts shall be billed to Customer in accordance with Section 8 of this Agreement.

1.4 Billing Adjustments. Upon completion of the Supplemental Services, NCPA shall provide a final written accounting for all actual costs associated with NCPA's provision of the Supplemental Services to Customer, and shall either: (i) refund any positive difference between estimated costs and actual costs, or (ii) invoice Customer for the amount of actual costs that are greater than the amount of estimated costs collected from Customer ("Adjustment Amount"). Any Adjustment Amount shall be billed to Customer in accordance with Section 8 of this Agreement.

1.5 Disputes. Any disputes associated with NCPA's provision of Supplemental Services to Customer shall be resolved under the dispute resolution procedures set forth in Section 13 of this Agreement.
