6. NCPA New Member Policy – staff will lead a discussion on NCPA’s New Member Policy.

Several entities have reached out to NCPA with regards to becoming an NCPA Member. Staff and Members are generally supportive of the agency growing but not too quickly. There are questions regarding the value of new Members and what they could bring to NCPA, how could this impact current Members, and if NCPA requires additional staff should the agency add new Members. There needs to be more discussion on this topic, and will be discussed at the upcoming Utility Director’s Retreat March 13 – 15, 2024.

NEW BUSINESS

No new business was discussed.

ADJOURNMENT

Chair Serventi adjourned the Executive Committee meeting at 9:00 am.
