## General Scope of Work

- Term of Agreement = 5 years
- Cost = Not to Exceed \$500,000
- Services Provided:
  - Specialized industrial protective coatings
- No project under this Agreement shall include Work that would qualify as a Public Works Project under the California Public Contract Code.

## **Environmental Analysis**

- As an enabling agreement, this activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a “project” for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.
