Subject: Ethos Energy Power Plant Services, LLC – Five Year Multi-Task General Services Agreement and Agreement for Purchase of Equipment, Material and Supplies; **Applicable to the following projects: All NCPA locations and Members, SCPPA and SCPPA Members**

Proposal

Approve a five year Multi-Task General Services Agreement and Agreement for Purchase of Equipment, Materials and Supplies with Ethos Energy Power Plant Services, LLC in an amount not-to-exceed One Million Five Hundred Thousand Dollars (\$1,500,000) for inspections, maintenance and parts refurbishment services and materials and supplies for the gas, steam and hydro turbines as needed at the Lodi Energy Center, CT1, CT2, Hydroelectric and Geothermal facility locations.

Background

The NCPA facilities periodically require various inspections, maintenance and parts refurbishment services and materials and supplies for the gas, steam and hydro turbines. Ethos Energy Power Plant Services is a provider of these services and materials.

Selection Process

This five year contract does not commit NCPA to any expenditure of funds. When services or materials and supplies are required, NCPA will bid the specific scope of work consistent with NCPA procurement policies and procedures. In addition to Ethos Energy Power Plant Services, LLC, NCPA currently has entered into an enabling agreement with ProEnergy Services, LLC and Sulzer Turbo Services Houston, Inc. for similar work. In addition, it seeks bids from as many qualified contractors and suppliers as possible. NCPA will issue purchase orders based on the lowest cost and availability of the services and/or materials needed at the time.

Fiscal Impact

The total cost of the agreement will be not-to-exceed \$1,500,000 over the five year term. Allocation of funds will be based on the Commission approved annual budgets. Purchase orders referencing the terms and conditions of the Agreement will be issued following NCPA procurement policies and procedures.

Environmental Analysis

ETHOS ENERGY POWER PLANT SERVICES, LLC**

This agreement for general services and purchase of equipment, materials and supplies ("Agreement") is made by and between the Northern California Power Agency, a joint powers agency with its main office located at 651 Commerce Drive, Roseville, CA 95678-6420 ("Agency") and EthosEnergy Power Plant Services, LLC, a limited liability company, with its office located at 12600 Deerfield Parkway, Suite 315, Alpharetta, GA 30004 ("Contractor") (together sometimes referred to as the "Parties") as of _____, 2017 ("Effective Date") in Roseville, California.

Section 1. SCOPE OF WORK. Subject to the terms and conditions set forth in this Agreement, Contractor is willing to provide to Agency the range of services and/or goods described in the Scope of Work attached hereto as Exhibit A and incorporated herein (both services and goods collectively referred to as "Work" herein). Contractor shall be responsible at its sole expense for delivering the goods ("Goods"), as further specified herein, to Agency's Project Site, DDP, and title shall not pass until the Agency accepts delivery at this Site.

- 1.1 **Term of Agreement.** Unless terminated by either of the Parties, the term of this Agreement shall begin on the Effective Date and shall end five (5) years later.
- 1.2 **Standard of Performance.** Contractor shall perform the Work in the manner and according to the standards observed by a competent practitioner of the profession in which Contractor is engaged and for which Contractor is providing the Work. Contractor represents that it is licensed, qualified and experienced to provide the Work set forth herein.
- 1.3 **Assignment of Personnel.** Contractor shall assign only competent personnel to perform the Work. In the event that Agency, in its sole discretion, at any time during the term of this Agreement, requests the reassignment of any such personnel, Contractor shall, immediately upon receiving written notice from Agency of such request, reassign such personnel.
- 1.4 [Intentionally left blank.]
- 1.5 **Request for Work to be Performed.** At such time that Agency determines to have Contractor perform Work under this Agreement, Agency shall issue a Purchase Order. The Purchase Order shall identify the specific Work to be performed ("Requested Work"), may include a not-to-exceed monetary cap on Requested Work and all related

expenditures authorized by that Purchase Order, and shall include a time by which the Requested Work shall be completed. Contractor shall have seven calendar days from the date of the Agency's issuance of the Purchase Order in which to respond in writing that Contractor chooses not to perform the Requested Work. If Contractor agrees to perform the Requested Work, begins to perform the Requested Work, or does not respond within the seven day period specified, then Contractor will have agreed to perform the Requested Work on the terms set forth in the Purchase Order, this Agreement and its Exhibits.

Section 2. COMPENSATION. Agency hereby agrees to pay Contractor an amount **NOT TO EXCEED ONE MILLION FIVE HUNDRED THOUSAND DOLLARS (\$1,500,000.00)** for the Work, which shall include all fees, costs, expenses and other reimbursables, as set forth in Contractor's fee schedule, attached hereto and incorporated herein as Exhibit B. This dollar amount is not a guarantee that Agency will pay that full amount to the Contractor, but is merely a limit of potential Agency expenditures under this Agreement.

2.1 **Invoices.** Contractor shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs incurred prior to the invoice date. Invoices shall contain the following information:

- The beginning and ending dates of the billing period;
- Work performed;
- The Purchase Order number authorizing the Requested Work;
- At Agency's option, for each work item in each task, a copy of the applicable time entries or time sheets shall be submitted showing the name of the person doing the work, the hours spent by each person, a brief description of the work, and each reimbursable expense, with supporting documentation, to Agency's reasonable satisfaction;

2.3 Payment of Taxes.

2.3.1 Contractor agrees to pay any tax or assessment upon its charges covered by this Agreement based on or measured by net income or profit, imposed or levied by any government having jurisdiction over its place of business. Contractor shall also be solely responsible for the payment of all employment taxes incurred in the performance of this Agreement.

2.3.2 All prices are exclusive of any excise, sales, use or withholding taxes; customs or duties; or costs of a similar nature. Such costs, if to be collected by Contractor by applicable law, shall be added to the purchase order, contract price, or invoice to be paid by Agency, subject to Agency's right to verify that the costs are in fact duly paid. In lieu thereof, the Agency may provide Contractor with an exemption or direct-pay certificate acceptable to the taxing authorities.

2.4 Authorization to Perform Work. The Contractor is not authorized to perform any Work or incur any costs whatsoever under the terms of this Agreement until receipt of a Purchase Order from the Contract Administrator.

2.5 Timing for Submittal of Final Invoice. Contractor shall have ninety (90) days after completion of the Requested Work to submit its final invoice for the Requested Work. In the event Contractor fails to submit an invoice to Agency for any amounts due within the ninety (90) day period, Contractor is deemed to have waived its right to collect its final payment for the Requested Work from Agency.

4.2 Commercial General and Automobile Liability Insurance.

4.2.1 Commercial General Insurance. Contractor shall maintain commercial general liability insurance for the term of this Agreement, including products liability, covering any loss or liability, including the cost of defense of any action, for bodily injury, death, personal injury and broad form property damage which may arise out of the operations of Contractor. The policy shall provide a limit of \$1,000,000 per occurrence/\$2,000,000 aggregate. Commercial general coverage shall be at least as broad as ISO Commercial General Liability form CG 0001 (current edition) on

"an occurrence" basis covering comprehensive General Liability. No endorsement shall be attached limiting the coverage.

4.2.2 **Automobile Liability.** Contractor shall maintain automobile liability insurance form CA 0001 (current edition) for the term of this Agreement covering any loss or liability, including the cost of defense of any action, arising from the operation, maintenance or use of any vehicle (symbol 1), whether or not owned by the Contractor, on or off Agency premises. The policy shall provide a limit of \$1,000,000 per each accident. This insurance shall provide contractual liability covering all motor vehicles and mobile equipment to the extent coverage may be excluded from general liability insurance.

4.2.3 **General Liability/Umbrella Insurance.** The coverage amounts set forth above may be met by a combination of underlying and umbrella policies as long as in combination the limits equal or exceed those stated.

4.3 [Intentionally omitted.]

4.4 [Intentionally omitted.]

4.5 **All Policies Requirements.**

4.5.1 **Verification of coverage.** Prior to beginning any work under this Agreement, Contractor shall provide Agency with (1) a Certificate of Insurance that demonstrates compliance with all applicable insurance provisions contained herein and (2) blanket type policy endorsements to the policies referenced in Section 4.2, adding the Agency as an additional insured but only to the extent of Contractor's defense and indemnity obligations under this Agreement and declaring such insurance primary to Contractor to cover Contractor's defense and indemnity obligations under this Agreement in regard to work performed pursuant to this Agreement.

4.5.2 **Notice of Reduction in or Cancellation of Coverage.** Contractor shall provide at least thirty (30) days prior written notice to Agency of any reduction in scope or amount, cancellation, or modification adverse to Agency of the policies referenced in Section 4.

4.5.3 [Intentionally left blank.]

4.6 **Contractor's Obligation.** Contractor shall be solely responsible for ensuring that all equipment, vehicles and other items utilized in the performance of Work are operated, provided or otherwise utilized in a manner that ensures they are and remain covered by the policies referenced in Section 4 during this Agreement. Contractor shall also ensure that all workers involved in the provision of Work are properly classified as employees, agents or independent contractors and are and remain covered by any and all workers' compensation insurance required by applicable law during this Agreement.

Section 5. INDEMNIFICATION AND CONTRACTOR'S RESPONSIBILITIES.

- 5.1 **Indemnification.** Contractor shall indemnify, defend (with counsel reasonably acceptable to Agency) and hold harmless the Agency, and its officials, commissioners, officers, employees, agents and volunteers from claims, demands, and causes of action asserted by any person (including, without limitation, Agency employees, officers, commissioners, managers, employees, agents, and representatives) for personal injury or death, or for loss of or damage to property that results from Contractor's negligence or willful misconduct hereunder. Where personal injury, death, or loss of or damage to property is the result of the joint negligence or misconduct of Contractor and Agency, Contractor's duty of indemnification shall be in proportion to its allocable share of such joint negligence or misconduct. This indemnification obligation shall terminate one year after the end of any warranty period specified in this Agreement, plus any extension thereof. Contractor will reimburse Agency for all liabilities, costs, attorney's fees, expenses and losses incurred by Agency in consequence of any claims, demands, and causes of action which may be brought against Agency arising out of the performance or non-performance by Contractor of this Agreement. Notwithstanding anything to the contrary contained herein, Contractor's obligation with respect to indemnification for Agency's property shall not exceed One Million Dollars (\$1,000,000). However, nothing in this section or this Agreement generally shall be construed to require Contractor to indemnify Agency for the sole negligence, willful misconduct, or for defects in design furnished by, the Agency or its employees, officers, commissioners, managers, employees, agents and representatives. The indemnification provided under this Section 5.1 shall be in addition to any other indemnification provisions contained in this Agreement.
- 5.2 **Limitations on Liability.** Contractor's liability with respect to claims of any kind (excluding death or personal injury), whether as a result of breach of contract, breach of warranty, tort (including negligence) strict liability or otherwise, for all loss or damage arising out of or in connection with goods sold or services furnished under this Agreement, or any amendment thereto, including remedial warranty work, shall in no case exceed the total compensation set forth in a Purchase Order and paid to Contractor or the amount of applicable insurance limited to the amounts set forth in Section 4, whichever is greater. All such liability shall terminate twenty-four (24) months after completion of the Work on each Purchase Order. In no event shall Contractor or its suppliers, or Agency, be liable, whether as a result of breach of contract or warranty, tort (including negligence), strict liability or otherwise, for special, indirect, incidental, exemplary or consequential damages whatsoever; loss of profits or revenue; or loss of use of equipment or associated equipment, facilities or services; downtime costs (including but not limited to capital cost, fuel cost, and the cost of purchased or replacement power); loss of data; or (solely as to Contractor or its suppliers) claims of members of Agency for such damages and Agency will indemnify Contractor, its employees and suppliers against any such claims for damages by Agency members.

5.3 **Transfer of Title.** Contractor shall be deemed to be in exclusive possession and control of the Goods and shall be responsible for any damages or injury caused thereby, including without limitation any spills, leaks, discharges or releases of any Goods, until delivery. For purposes of this Agreement, delivery occurs when Contractor or its agents complete transfer of the Goods into appropriate containers, machinery, storage tanks, or other apparatus identified by Agency. In the event a spill, leak, discharge or release of Hazardous Materials brought to site or negligently caused by Contractor requires notification to a federal, state or local regulatory agency, Contractor shall be responsible for all such notifications.

"Hazardous Materials" means any toxic or hazardous substance, hazardous material, dangerous or hazardous waste, dangerous good, radioactive material, petroleum or petroleum-derived products or by-products, or any other chemical, substance, material or emission, that is regulated, listed, or controlled pursuant to any national, state, or local law, statute, ordinance, directive, regulation, or other legal requirement of the United States.

Section 6. STATUS OF CONTRACTOR.

6.1 **Independent Contractor.** Contractor is an independent contractor and not an employee of Agency. Agency shall have the right to control Contractor only insofar as the results of Contractor's Work and assignment of personnel pursuant to Section 1; otherwise, Agency shall not have the right to control the means by which Contractor accomplishes Work rendered pursuant to this Agreement. Notwithstanding any other Agency, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by Agency, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of Agency and entitlement to any contribution to be paid by Agency for employer contributions and/or employee contributions for PERS benefits.

Contractor shall indemnify, defend, and hold harmless Agency for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of Agency. Contractor and Agency acknowledge and agree that compensation paid by Agency to Contractor under this Agreement is based upon Contractor's estimated costs of providing the Work, including salaries and benefits of employees, agents and subcontractors of Contractor.

Contractor shall indemnify, defend, and hold harmless Agency from any lawsuit, administrative action, or other claim for penalties, losses, costs, damages, expense and liability of every kind, nature and description that arise out of, pertain to, or relate to such claims, whether directly or indirectly, due to Contractor's failure to secure workers' compensation insurance for its employees, agents, or subcontractors.

Contractor agrees that it is responsible for the provision of group healthcare benefits to its fulltime employees under 26 U.S.C. § 4980H of the Affordable Care Act. To the extent permitted by law, Contractor shall indemnify, defend and hold harmless Agency from any penalty issued to Agency under the Affordable Care Act resulting from the performance of the Services by any employee, agent, or subcontractor of Contractor.

- 6.2 **Contractor Not Agent.** Except as Agency may specify in writing, Contractor shall have no authority, express or implied, to act on behalf of Agency in any capacity whatsoever as an agent. Contractor shall have no authority, express or implied, pursuant to this Agreement to bind Agency to any obligation whatsoever.
- 6.3 **Assignment and Subcontracting.** This Agreement contemplates personal performance by Contractor and is based upon a determination of Contractor's unique professional competence, experience, and specialized professional knowledge. A substantial inducement to Agency for entering into this Agreement was and is the personal reputation and competence of Contractor. Contractor may not assign this Agreement or any interest therein without the prior written approval of the Agency. Contractor shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors identified in Exhibit A, without prior written approval of the Agency, which shall not be unreasonably withheld or delayed. Where written approval is granted by the Agency, Contractor shall supervise all work subcontracted by Contractor in performing the Work and shall be responsible for all work performed by a subcontractor as if Contractor itself had performed such work. The subcontracting of any work to subcontractors shall not relieve Contractor from any of its obligations under this Agreement with respect to the Work and Contractor is obligated to ensure that any and all subcontractors performing any Work shall be fully insured in all respects and to the same extent as set forth under Section 4, to Agency's satisfaction.
- 6.4 **Certification as to California Energy Commission.** If requested by the Agency, Contractor shall, at the same time it executes this Agreement, execute Exhibit C.
- 6.5 **Certification as to California Energy Commission Regarding Hazardous Materials Transport Vendors** If requested by the Agency, Contractor shall, at the same time it executes this Agreement, execute Exhibit D.
- 6.6 **Maintenance Labor Agreement.** If the Work is subject to the terms of one or more Maintenance Labor Agreements, which are applicable only to certain types of construction, repair and/or maintenance projects, then Contractor shall execute Exhibit E and/or similar documentation as to compliance.

Section 7. LEGAL REQUIREMENTS.

- 7.1 **Governing Law.** The laws of the State of California shall govern this Agreement.
- 7.2 **Compliance with Applicable Laws.** Contractor and its subcontractors and agents, if any, shall comply with all laws applicable to the performance of the work hereunder. In the

event of a material change in applicable laws after the date of a Purchase Order, Contractor may request an equitable change to such Purchase Order, subject to the mutual written agreement of the Parties.

- 7.3 **Licenses and Permits.** Contractor represents and warrants to Agency that Contractor and its employees, agents, and subcontractors (if any) have and will maintain at their sole expense during the term of this Agreement all licenses, permits, qualifications, and approvals of whatever nature that are legally required to practice their respective professions.
- 7.4 **Monitoring by DIR.** The Work is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
- 7.5 **Registration with DIR.** During the term of this Agreement, Contractor warrants that it is registered with the Department of Industrial Relations and qualified to perform Work consistent with Labor Code section 1725.5.
- 7.4 **Prevailing Wage Rates.** If applicable, in accordance with California Labor Code Section 1771, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the Work is to be performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work as provided in the California Labor Code must be paid to all workers engaged in performing the Work. In accordance with California Labor Code Section 1770 and following, the Director of Industrial Relations has determined the general prevailing wage per diem rates for the locality in which the Work is to be performed; the Agency has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in the locality in which the Work is to be performed for each craft, classification or type of worker needed to perform the project; and copies of the prevailing rate of per diem wages are on file at the Agency and will be made available on request. Throughout the performance of the Work, Contractor must comply with all applicable laws and regulations that apply to wages earned in performance of the Work. Contractor assumes all responsibility for such payments and shall defend, indemnify and hold the Agency harmless from any and all claims made by the State of California, the Department of Industrial Relations, any subcontractor, any worker or any other third party with regard thereto.

Additionally, in accordance with the California Administrative Code, Title 8, Group 3, Article 2, Section 16000, Publication of Prevailing Wage Rates by Awarding Bodies, copies of the applicable determination of the Director can be found on the web at:

<http://www.dir.ca.gov/DLSR/PWD/> and may be reviewed at any time.

Contractor shall be required to submit to the Agency during the contract period, copies of Public Works payroll reporting information per California Department of Industrial Relations, Form A- 1-131 (New 2-80) concerning work performed under this Agreement.

Contractor shall comply with applicable law, including Labor Code Sections 1774 and 1775. In accordance with Section 1775, Contractor shall forfeit as a penalty to Agency

\$50.00 for each calendar day or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of Industrial Relations for such work or craft in which such worker is employed for any Work done under the Agreement by Contractor or by any subcontractor under Contractor in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 *et seq.* In addition to the penalty and pursuant to Section 1775, the difference between such prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the Contractor.

Section 8. TERMINATION AND MODIFICATION.

Upon any such cancellation and termination Contractor agrees to waive any claims for damages, including loss or anticipated profits, on account thereof. But as the sole right and remedy of Contractor, Agency shall pay Contractor in accordance with Subparagraph B below; provided, however, that the provisions of this Agreement, which by their very nature survive acceptance of the work under this Agreement, shall remain in full force and effect after such cancellation and termination to the extent provided in such provisions.

 4. The reasonable costs incurred pursuant to Subparagraph A.(4) above.
- C. If Contractor is not satisfied with the payment made hereunder, it may file a claim with Agency for a decision pursuant to this Agreement. Acceptance by Contractor of such payment shall have the same effect as acceptance of the final payment made pursuant to this Agreement.
- 8.2 **Amendments.** The Parties may amend this Agreement only by a writing signed by all the Parties.
- 8.3 **Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between Agency and Contractor shall survive the termination of this Agreement.

- 8.5 **Options upon Breach by Agency.** If Agency materially breaches any of the terms of this Agreement and, after written notice of breach from Contractor, fails to cure such breach within a reasonable time period not to exceed ten (10) days (or such other period as agreed upon by the Parties), Contractor's remedies shall include, but not be limited to, the following:
