**Multi-Task Professional Services Agreement**

Facilities Committee  
January 8, 2025

## Background

- This is a new NCPA vendor.
- Enabling agreement. No commitment of funds.
- Osmose is a Hometown Connections partner and the only known vendor that performs contact voltage surveys. NCPA does not have any agreements in place for similar services at this time.
- It is recommended to place this item on the consent calendar.
- For use at all facilities owned and/or operated by NCPA, NCPA Members, and SCPPA Members

## **General Scope of Work**

- Term of Agreement = 5 years
- Cost = Not to Exceed \$500,000
- Services Provided:
  - Contact Voltage Surveys only

## **Environmental Analysis**

- As an enabling agreement, this activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a “project” for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.

## Proposal

- Staff is seeking a recommendation from the Facilities Committee for Commission approval of the Five Year Multi-Task Professional Services Agreement between NCPA and Osmose Utilities Services, Inc., in an amount not to exceed \$500,000, for use at any facilities owned and/or operated by NCPA, NCPA Members, and SCPPA Members.
