First Amendment to Multi-Task General
Services Agreement**

**Facilities Committee
October 4, 2016**

Background

- Various insulation services are required at the NCPA Geysers Geothermal Facility.
- Sunshine Metal Clad, Inc. is a provider of these services.
- NCPA entered into a Five Year Multi-Task General Services Agreement with Sunshine Metal Clad, Inc., effective July 22, 2013 for an amount not to exceed \$300,000.

General Scope of Work

- Five Year Agreement
- For use at the NCPA Geysers Geothermal Facility
- Scope of Work Includes:
 - Services to include, but not be limited to the following:
 - Provide labor, equipment and materials to install, maintain, or replace insulation.

Environmental Analysis

- This activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a “project” for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.

Proposal

- Approval of Resolution 17-XX authorizing the General Manager or his designee to enter into a First Amendment to Multi-Task General Services Agreement with Sunshine Metal Clad, Inc., with any non-substantial changes recommended and approved by the NCPA General Counsel, which shall not exceed \$550,000 over five years for use at the Geysers Geothermal Facility.
- It is recommended to place this item on the Commission Consent Calendar.
