

Lodi Energy Center Project Participant Committee

Staff Report

AGENDA ITEM NO.: 11

Date: June 26, 2017

Meeting Date: August 14, 2017

To: Lodi Energy Center Project Participant Committee

Subject: The Avogadro Group, LLC – First Amendment to Five Year Multi-Task General Services Agreement; Applicable to the following projects: All NCPA Generation Plant Facilities, Members, Southern California Public Power Authority (“SCPPA”) or SCPPA members

Proposal

Approve the First Amendment to Multi-Task General Services Agreement with The Avogadro Group, LLC, with any non-substantial changes recommended and approved by the NCPA General Counsel, which shall not exceed \$250,000 over five years for use at any facilities owned and/or operated by Agency, its Members, Southern California Public Power Authority (“SCPPA”) or SCPPA Members.

Background

Various testing services are required at the NCPA locations as well as Member, SCPPA and SCPPA Member facilities from time to time. The Avogadro Group, LLC. is a provider of these services. NCPA and The Avogadro Group, LLC. entered into a Multi-Task General Services Agreement dated effective October 25, 2013.

Effective June 30, 2017, The Avogadro Group, LLC was merged into Montrose Air Quality Services, LLC. The parties now desire to amend the Agreement and accept the assignment.

In addition, the original agreement was for services at NCPA locations only. This amendment will open up the agreement for use at NCPA Members, SCPPA and SCPPA Members as well.

Selection Process

This enabling agreement does not commit NCPA to any expenditure of funds. At the time services are required, NCPA will bid the specific scope of work consistent with NCPA procurement policies and procedures. NCPA seeks bids from as many qualified providers as possible. Bids are awarded to the lowest cost provider. NCPA will issue purchase orders based on cost and availability of the services needed at the time the service is required.

Fiscal Impact

Total cost of the agreement is not-to-exceed \$250,000 over five years to be used out of NCPA approved budgets as services are rendered. Purchase orders referencing the terms and conditions of the Agreement will be issued following NCPA procurement policies and procedures.

Environmental Analysis

This activity would not result in a direct or reasonably foreseeable indirect change in the physical environment and is therefore not a "project" for purposes of Section 21065 the California Environmental Quality Act. No environmental review is necessary.
